

# Q-SPORT LIGHT SPILL SHIELD

QSPORT-SHIELD

QVIS<sup>®</sup>

LIGHTING & SECURITY

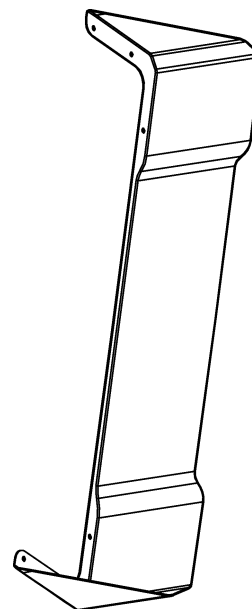

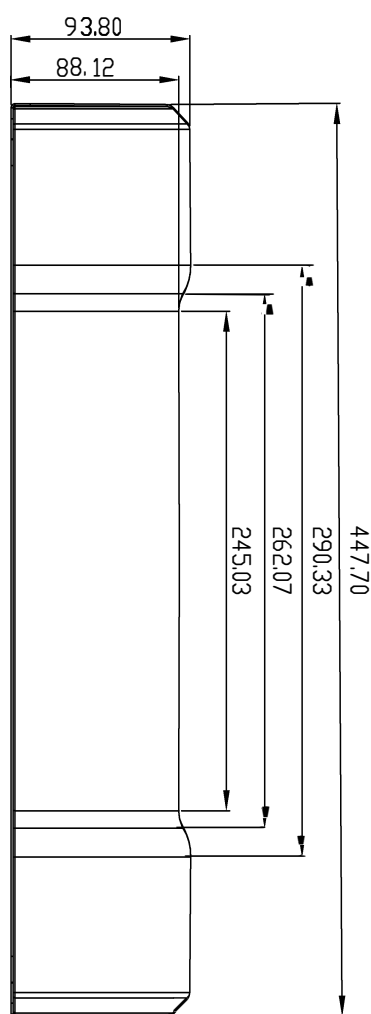

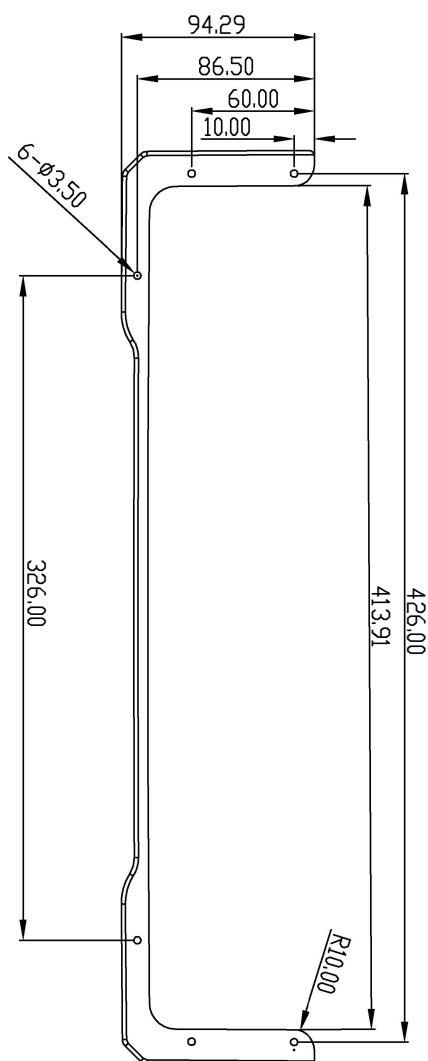

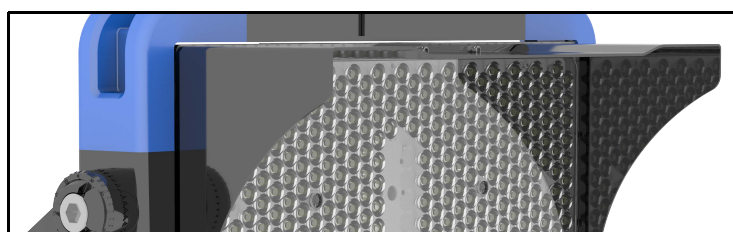

This light spill shield helps to reduce light pollution from the Q-Sport pitch floodlight.

This is an ideal accessory for sports pitches that are in close proximity to residential areas.

The shield easily attaches to the LED units, helping to focus the wasted light back onto the pitch.

This accessory increases efficiency and ensures that light pollution is kept to a minimum.
