○ SPEC RANGE

| Specification          | IKON                             |
|------------------------|----------------------------------|
| System Power           | 14W (UP) / 34W (DOWN)            |
| LED Chipset            | Edison                           |
| Driver Manufacturer    | Boke                             |
| Colour Rendering Index | >80                              |
| Typical UGR            | <19                              |
| Lumen Output           | 1540Lm (UP) / 3740Lm (DOWN)      |
| LED Efficacy           | 110 Lm/cW                        |
| Dimmable               | On request                       |
| Power Factor           | >0.9                             |
| IP Rating              | IP20                             |
| Colour Temperature     | 4000K                            |
| Operating Temperature  | -20 to 45 °C                     |
| Input Voltage          | AC 200-240V                      |
| Weight                 | 7.29kg                           |
| Dimensions             | 600mm x 82mm                     |
| MacAdam Step           | <3                               |
| Lifetime               | 50,000 hours, L70-B10 (Ta 25 °C) |
