

Expressclean Antibacterial Hand Gel is a business essential, designed to kill nasty bacteria and prevent the unwanted spread of diseases. Containing Tea Tree, with added antibacterial properties*, this product will leave your hands dry, clean, lightly scented and protected.

**This product contains 75% alcohol
(Government Authorities are recommending 68%+ Alcohol Gel for Coronavirus control.)*

With an easy to use pump top, this 500ml anti-bacterial hand gel from Expressclean is the perfect essential for all medical, education, commercial and industrial settings.

Added Tea Tree oil, which has natural antibacterial properties, will add extra protection as well as leaving you with lightly scented hands.

DIRECTIONS:

Apply a small amount to hands, spreading over palms and fingertips in until absorbed. Use as often as needed.

CAUTION:

For external use only. Avoid contact with eyes. In case of contact, rinse your eyes thoroughly with clean warm water. Keep out of reach of children.
